YOGA SUP

This Yoga cruiser is the best for female SUP riders. 10' x 32" size with low nose and tail lift provides a very stable SUP platform for Yoga on the water. You can also paddle it easily thanks to its great shape and super light construction. The beautiful deck design attracts eyes from surroundings while many other Yoga SUPs are bit boring.

10'6 HYBRID SUP

If you are like most SUP fanatics, you surely want one board that can float on flat water and surf on waves. Here we give you the mighty Bondihawk. It is a versatile board that can perform equally well in both flat water and choppy or wave conditions. It is also a board that is easy to use, and a board that your skills can grow with.

With the medium rocker in the nose, single to double concave and right kick at the tail, Bondihawk will track straight in all conditions. The 31" width and thicker rails give greater stability while the overall narrow shape glides quickly thru the water for a smooth, fast paddle. The Bondihawk is reinforced with a wood stringer making this board extra rigid for a sturdy feel under your feet.

Bondihawk collection is available in a 10'6 and with spray color or premium bamboo veneer available. We are sure you will find one that is just perfect for you.
